**Victim : Laurent GRANIER,**

Sir,

facing corruption inside Royal Police of Gibraltar, and living in France, I have to file a criminal complaint to your authority against a police officer named **Thomas TUNBRIDGE** for corruption, collusion, obstruction of justice, obstruction of evidence, and many other criminal offenses.

To be brief and clear, attached, you can find, first, my criminal complaint I filed one month ago by email to Royal Police, about criminal offenses I'm the victim, committed by all people of OCTOPUS, TOSCA, R.E. Services companies. Everything is almost explained in my complaint.

Second, **Thomas TUNBRIDGE**, Detective Inspector at Economic Crime Unit, answered by asking me inappropriate questions with the case of criminal offenses committed by OCTOPUS'S people, but indeed, just to try to intimidate me.

Later, **Thomas TUNBRIDGE** never replied to me despite my answers about the 8 questions he asked me, and I discovered that he closed the file just because I put his email address when I contacted for the last time, the people of the crook company, "Octopus".

Yet, I started to understand he was corrupted, thanks to his first email, but I've had proof of his corruption/collusion with Octopus's people, thanks to his dirty and unfair behaviour, because he found absolute none clue of any offense, even about the Gibraltar tax fraud committed by Octopus's people.

**So, by this certified mail, I confirm that I file a criminal complaint against Thomas TUNBRIDGE, Detective Inspector at Economic Crime Unit of ROYAL POLICE of GIBRALTAR for CORRUPTION, COLLUSION WITH CRIMINAL, OBSTRUCTION of JUSTICE, OBSTRUCTION of EVIDENCE, etc.**

**In addition, by this certified mail, I confirm I file a criminal complaint against Sharon SMITHS, Amanda HICKS, Jan BENHAM, Sandra SANCHEZ, Christina SANCHEZ (owner or/and manager or/and employee of Octopus International Business Services Limited, Octopus Group Holdings Limited, Both, registered in Gibraltar : 13/1 Line Wall Road, Gibraltar; Octopus declared address for Gibraltar in tax fraud invoice at Local 12, Calle Zona Venta Melchor S/N, 11300 La Linea De La Concepcion, Cadiz, Spain ; Octopus Management Ltd, registered at Suite 556, Hunskins Waterfront Plaza, Charlestown, Nevis, West Indies -Company registration C19624- ); David BENHAM, director of Tosca Nominees Limited, address : Hunskins Waterfront Plaza, Charlestown, Nevis, West Indies ; Andrew Mark ELLIS, director of R.E. **For SCAM, LIE, ABUSE OF TRUST, BLACKMAIL, MONEY LAUNDERING, EMBEZZLEMENT OF FUNDS, TAX FRAUD, FORGERY AND UTTERING, FAKE REGISTRATION, FAKE DECLARATION, etc.**  
**Original complaint attached with the present one.**

I've got and I'll give all proofs and documents later, after to have received a reply from you.

In order to avoid a corruption case which could try to erase those criminal acts and offenses, this criminal complaint will be filed at several authorities of Gibraltar, UK and Europe (CE). I hope you can understand that this case could be painful for your country, at least, at an european level, moreover in this time of Brexit.

If you do nothing against those dirty people, if you do nothing to help me to get my money back, if you do not help me to get a payment for my damages, if you do nothing to stop and punish those behaviour, you'd just prove that GIBRALTAR deserves its "grey" level in european and world tax classification...

Anyway, now your country is liable about the damages caused on my businesses and on my life, at least, **Thomas Tunbridge is liable with Octopus's people since he is linked with them, helping them, and so, all of them, Thomas TUNBRIDGE included, own me at least 1 million by company, so 2 millions of euros for damages, in addition of the money stolen by Octopus's people, so £2600.**

Best regards.
